

VITA: Martin White

*Department of Astronomy and Department of Physics
University of California, Berkeley, CA 94720
E-mail: mwhite@berkeley.edu*

Professional Preparation

Undergraduate: University of Adelaide, Australia.
Graduate: Yale University, Ph.D., 1992.

Appointments

2001 Professor of Physics and Astronomy, University of California, Berkeley
1999 Assistant Professor of Astronomy, Harvard University
1997 Assistant Professor of Physics and Astronomy, UIUC
1995 Enrico Fermi Fellow, University of Chicago
1992 PDRA, Center for Particle Astrophysics, UC Berkeley
1993 Superconducting SuperCollider Fellow, UC Berkeley

Awards

Fellow of the APS, Fellow of the AAAS, John Simon Guggenheim Fellowship (2011), Alfred P Sloan Research Fellowship (2002), Enrico Fermi Fellow (1995-1997), Superconducting SuperCollider Fellow (1993). NASA group achievement award (Planck D/A; 2010).

Synergistic activities & service

Planck, Planck scientist, Planck core team member, Chair of US internal advisory board (2003-2005), Member editorial board.
BOSS, Chair of survey science team, Survey Scientist from 1st proposal through end of commissioning.
Dark Energy Survey, quasar working group, large-scale structure working group.

Research Interests

Cosmology, microwave background, galaxy and structure formation, numerical simulations, dark energy and the early universe.
